Re: Summary of changes to HB 32 by CSHB 32 (FIN)

Three changes were made to House Bill 32:

- The title has been changed to reflect changes made in Section 3. In the title “correct a mistake on the license” has been replaced with “make a change on a license.”
- Section 3. AS 43.70.030 has been replaced to limit changes made at the discretion of the licensee to 30 days after issuance of the license. Changes due to errors by the department may be made at any time the license is valid.
- Section 4. AS 43.70.110 has been amended to define “line of business.”
