Re: State Farm Support for SB 55

Dear Senator Dunleavy:

On behalf of State Farm Insurance Companies, the largest insurer of homes and autos in Alaska and the U.S., I write this letter in support of SB 55. This legislation is good for Alaska insurance consumers and the insurance market. It will enhance fairness to consumers, result in better pricing according to risk in a variety of ways, and help mitigate the unintended turmoil in the market based on current law. Thank you for your consideration.

Sincerely,

Sheldon Winters
