**FISCAL NOTE ANALYSIS #1**

**STATE OF ALASKA  
2014 LEGISLATIVE SESSION**

**BILL NO. CSHB 281(HSS)**

**Analysis**

HB 281 adds a new section into AS 08.04 so that the State Medical Board may not impose disciplinary sanctions on a physician for prescribing medication that is not a controlled substance without conducting a physical examination. The prescribing physician would have to be located in the state and under certain conditions records may have to be sent to a primary care provider.

The Division of Corporations, Business, and Professional Licensing does not anticipate fiscal impact from this legislation.
