Re: Oil and Gas Consultant Contracts

I am requesting the Legislative Budget and Audit Committee consider and approve two contractual items. I am requesting approval to solicit and award a contract for a contractor to advise the legislature on matters relating to oil and gas fiscal terms and projects for an amount not to exceed \$500,000. This contractor will be selected through a competitive Request For Proposal (RFP) process.

Secondly, I am requesting approval to enter into two revised contracts with our current consultants- Janak Mayer and Nikos Tsafos for ongoing consulting work relating to oil and gas matters for an amount not to exceed \$175,000 each.

I would appreciate your support of this request. If you have any questions, please contact Laura Pierre in my office at (907) 694-8944.
