Speaker of the House Mike Chenault
Representative Mike Hawker
Capitol Room 208
Juneau, Alaska 99801

Dear Speaker Chenault and Representative Hawker:

On behalf of Tesoro Alaska, I am writing in support of House Bill 4, an Act relating to the Alaska Gasline Development Corporation.

Tesoro Alaska's Kenai refinery is located on the Cook Inlet, 70 miles southwest of Anchorage. The refinery can process up to 72,000 barrels of crude oil per day. The refinery produces gasoline, jet fuel, ultra-low sulfur diesel, heating oil, heavy fuel oils, propane and asphalt. A reliable supply of natural gas is critical for the continued success of our refinery operations.

Your combined leadership on Cook Inlet issues is recognized and appreciated by our approximately 550 full-time Alaskan employees. House Bill 4 is another critical step towards supplying Alaskan residents and businesses with access to the state's abundant natural gas supplies on the North Slope.

Tesoro Alaska believes House Bill 4 would help Alaska move forward towards and assist in the development of much needed infrastructure that would provide the state with a permanent and reliable supply of natural gas. The benefits to both residents and businesses would be substantial.

We applaud your efforts and leadership and encourage your colleagues in the Alaska State Legislature to support the passage of House Bill 4.

Sincerely,

James Tangaro
Vice President Kenai Refinery
