Dear Alaska Legislators,

This letter is statement of support for the passage of HB 4, and the Alaska Stand Alone Gas Pipeline Project.

Doyon, Limited is the state chartered Alaska Native Claims Settlement Act Regional Corporation for Interior Alaska. Doyon has over 18,500 shareholders, most of whom reside within the State of Alaska; and many of our shareholders share the need of Alaskans for new options for heating and power generation fuels.

Furthermore, Doyon, Limited is the largest private land owner in the State. One of our highest priorities, made possible by the passage of SB 23 during the 2012 legislative session, is continued exploration for oil and gas resources on both Doyon and State owned lands along the proposed Alaska Stand Alone Pipeline corridor. Pipeline access for new discoveries of gas resources along the ASAP route would be good for all Alaskans.

Therefore, we support the passage of HB 4. We believe the ASAP gas pipeline effort has the potential to move forward this year. The project has made progress as indicated by the completion of the Final Environmental Impact Statement, the 604 miles State of Alaska lease ROW, and plan of development.

Thank you for the work you do to support Alaska, and for the opportunity to comment. If you have any questions about this letter of support, please contact our office at (907) 459-2000.

Sincerely,

Aaron M. Schutt
President and CEO
