RE: Bill Hearing Request HB 174 PERS CONTRIBUTIONS BY MUNICIPALITIES

I respectfully request a hearing for HB 174—PERS CONTRIBUTIONS BY MUNICIPALITIES—at your earliest convenience.

HB 174 correct an unintended consequence of the PERS “salary floor” established in SB 125 of the 25th Legislature.

My staff contact for this legislation is Paul Labolle, who can be reached at 465-3789.

Thank you for your consideration of this request.
