WRITTEN TESTIMONY

NAME: Mariah JohnsonREPRESENTING: SelfBILL# / SUBJECT: HB 77

COMMITTEE &

HEARING DATE: 4/3/13

HB 77 Needs to uphold the right of Alaskans to apply to DNR to preserve water from rivers and streams. The Alaska Constitution mandates the sustainability of our resources. The current proposal lessens the public's ability to insure protection for fish and game. The people have the right to fight for the preservation of land and wildlife, especially in Alaska, one of the few remaining pristine ecosystems in the world.
