House Bill 184: Newborn Screening for Heart Defects **(28-LS0506\N)** **Sectional Analysis**

Section 1:

- (a):** Requires that an infant, born in a licensed facility that provides birthing services, be screened for congenital heart defects at least 24 hours after birth and before discharge.
- (b):** Requires that confirmatory testing and interventions be performed on an infant whose CCHD screening is abnormal.'
- (c):** Requires that the licensed facility that performs the screenings annually report the results to the Department of Health and Social Services.
