

**Representative  
Lindsey Holmes**

Capitol Room 415  
465-4919  
465-2137 fax

---

**HB 125**  
**Explanation of Changes:**  
Version N to O

1. Page 1, line 8 adds the language “to treat a chronic condition” to define what types of prescription eye drops will fall under this bill.
2. Page 1, lines 11-14 and Page 2, lines 1-7 provide the specific parameters for when a refill can be requested by a patient and how many times a refill can be requested during a prescription period. The original language was too vague and the CS gives guidance for patients, doctors, and insurers.

If you have any questions, please contact Representative Holmes’s aide, Chrissy McNally at 465-4919.
