## FISCAL NOTE ANALYSIS

STATE OF ALASKA			
2013	LEGISI	ATIVE	SESSION

BILL	NO.	SB012
------	-----	-------

A	
Ana	ıveie
niia:	19313

This bill makes changes to simplify, clarify and modernize the State Procurement Code to encourage broader competition and allow the state to achieve efficiencies and take advantage of today's technology. The bill reorganizes and provides consistent language for procurement preferences, increases small procurement thresholds, and makes other changes to improve the effectiveness of state procurement, while reducing barriers to Alaskan vendors. The Department of Administration, Division of General Services does not anticipate any fiscal impact from the proposed legislation.
