### Resolution in Support of Amending AS 10.25 to Allow Longer Director Terms (13-6)

Currently, the Electric and Telephone Cooperative Act (AS 10.25) contains restrictive language on the election of directors. Alaska Power Association supports changing the statute to provide more flexibility to individual cooperatives, consistent with the wishes of their membership as reflected in a cooperative's bylaws. The proposed change would not require a cooperative to change its election procedures, but would provide alternatives from current practice if a co-op is interested in pursuing a bylaws change.
