

Welcome to The Ethics Committee

Legislative Findings and Purpose, Section AS 24.60.010 of the Legislative Ethics Act.

"High moral and ethical standards among public servants in the legislative branch of government are essential to assure the trust, respect, and confidence of the people of this state."

"A fair and open government requires that legislators and legislative employees conduct the public's business in a manner that preserves the integrity of the legislative process and avoids conflicts of interest or even appearances of conflicts of interest."
