I am of the opinion that under the Constitution of the United States + Bill of Rights, which protect our NATURAL GOD GIVEN RIGHTS, agencies are unlawful. The framers of the Constitution are rolling over in their grave because they fought hard to break away from England + our Congress is giving our Sovranty (SOVEREIGNTY) away. That was treasonous + stupid but we don't have to obey them. We are free people. Agencies need to be dismantled, which would bring about SMALLER government !! Less taxes. More FREE ENTERPRISE.

And leads to my opinion of passing House Bill 103. The Constitution tells Government what it can + can not do !! They can not regulate the "PEOPLE." Agencies are an artificial entity w/humans running them. Humans that are individuals liable to lawsuits if the "PEOPLE" understood they are not allowed to violate ones RIGHTS. I.E., OCS (office of childrens services) taking (stealing children). I cannot go to my neighbor, accuse them of being bad parents, take their child + leave. But OCS does that under auspice of LAW but very very unlawful !! Each individual is liable to be sued !!

So therefore regulate the artificial entity. Make the individuals know they may not malce regulations against the PEOPLES RIGHTS, LIBERTIES + FREEDOMS !! Only CONGRESS has borrowed SOVRANTY. Or state reps. BORROWED - CAN'T GIVE AWAY !!
