

Department of Revenue Share of Total Agency Operations (GF Only) (\$ Thousands)

The department's GF budget grew by \$10.3 million between FY06 and FY15 Governor's Request -- an average annual growth rate of 3.2%.

The department's total FY15 Governor's Request GF budget equals \$127 per resident worker.*

From FY10 to FY11, the department's GF budget increased by \$12.6 million. This increase can be attributed to several large one-time increments:

Treasury Division -- \$6.9 million (\$2.1 million for investment management of the Constitutional Budget Reserve Fund & \$4.8 million associated with the sale of General Obligation Bond expenses for library, education and educational research facilities)

Natural Gas Commercialization -- \$1.55 million (Fiscal Systems Analysis to support negotiations of gasoline fiscal terms)

Alaska Municipal Bond Bank Authority -- \$2.45 million (Bond Bank loan to the City of Galena)

* According to the Department of Labor, there were 331,081 resident workers in Alaska in 2011.

The majority of the funding is in the following line items:
 Services: 62%
 Personal Services: 28%

Department of Revenue Line Items (All Funds) (\$ Thousands)

Department of Revenue Salary Adjustment Increases and Personal Services Costs (All Funds) (\$ Thousands)

* Changes in the personal services line from FY06 to FY15 Governor's Request are segregated into two parts: (1) base increases (primarily due to contractual negotiations) and (2) other personal services increases such as transfers between line items or increases from new positions. The final column sums the two types of changes during the period.

The addition of a new position enabled the department to reduce external investment manager fees in the ARMB Custody and Mgt Fee allocation. The existing exempt investment officer position will be located in the Treasury Division.

Decrement of \$1,544.9 Receipt Supported Services authorization due to declining Temporary Assistance for Needy Families (TANF) receipts. TANF receipts were used to meet the required state match (34% of the federal receipts received for child support enforcement efforts).

One-time increment of \$421.1 Federal Receipts - to replace Federal ARRA Stimulus funding that was lapsing and \$826.8 general fund match to replace the declining TANF receipts.

One-time increment of \$297.0 of additional Federal ARRA Stimulus funding.

Funding to cover the cost of outside experts with global experience in the negotiation of fiscal terms with industry from a government perspective. Any negotiation of fiscal terms relative to inducing participation in the AGIA gas line must be benchmarked against other global commercial opportunities and terms.

Added 1 PFT position

One-time funding

To ensure that an in-state natural gas pipeline place was delivered to the legislature by July 1, 2011, HB 369 established an in-state gasoline project coordinator and Joint In-State Gasline Development Team (7 PFT positions). One-time funding was appropriated in the operating budget in FY11 and in the capital budget in the years following.

IT System Security Services \$80.0 - Network security audit, firewall security upgrades and fixed income trade system enhancements. (One-time increment)

Fund Investment Management systems \$117.0 - contractual increases for existing investment information and analytical systems.

Risk Management & Analytical Services \$171.0 - new investment risk management information and analytical services to enable internal risk management staff to perform the risk analysis.

An increment of \$1,544.9 GFM was appropriated to replace: ~\$421.1 federal ARRA receipts that are no longer available ~\$826.8 GFM & \$421.1 Federal Receipt authority from Federal Incentive Payments that are no longer eligible as match (appropriated in FY11 as an One-time increment) and to maintain the FY11 budget level.
