Governor Sean Parnell
Juneau, Alaska

I am interested in a position on the Alaska Massage Licensing Board.

I was part of the Juneau Massage Coalition and worked with the team from Anchorage to see the Massage Licensing legislation through the legislature in 2014 and am very excited to break ground on the future of Massage Therapy in the State of Alaska. I am a lifelong Alaskan, 4th generation Juneauite. My roots are deep and so is my interest in the progress of my profession in my town and state.

I have held a massage license with the State of Washington since my graduation from massage school in August of 1994. I attended the Brian Utting School of Massage graduating with 800 hours of training and 450 hours of externship.

I believe that the massage therapist population in our state is ready for the credibility this legislation will bring as well as the knowledge and education we have been lacking for so many years.

I believe I would be an asset to this board as I bring 20 years of massage knowledge, training and experience to the table. I own my own massage business and have worked with chiropractors for 18 years of my career.

Thank you for your consideration. I look forward to hearing from you and working with this board in whatever capacity I can.
