HOUSE JOINT RESOLUTION NO. 7

IN THE LEGISLATURE OF THE STATE OF ALASKA

TWENTY-NINTH LEGISLATURE - FIRST SESSION

BY REPRESENTATIVE EDGMON

Introduced: 1/21/15

Referred:

A RESOLUTION

1 Opposing the proposed designation of an Aleutian Islands National Marine Sanctuary.

2 BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:

- WHEREAS, in June 2014, the National Oceanic and Atmospheric Administration
- 4 reestablished the process by which communities may submit applications to have the National
- 5 Oceanic and Atmospheric Administration consider nominations of areas of the marine and
- 6 Great Lakes environments as national marine sanctuaries; and
- 7 WHEREAS the National Oceanic and Atmospheric Administration has stated that
- 8 "every nomination starts at the community level"; and
- 9 WHEREAS, while the Sanctuary Nomination Process Guide published by the
- 10 National Oceanic and Atmospheric Administration calls for "community-based support for
- the nomination," it also includes a definition of "communities" that is so broad it is essentially
- meaningless; and
- WHEREAS a collection of predominantly non-Alaska organizations led by the
- Washington, D.C., based Public Employees for Environmental Responsibility has nominated
- an area of approximately 554,000 square nautical miles--nearly equal to the entire landmass
- of the state--to be designated as the Aleutian Islands National Marine Sanctuary; and

1	WHEREAS the designation of the proposed Aleutian Islands National Marine
2	Sanctuary would make permanent all current restrictions on fishing and other commerce and
3	would potentially authorize additional permanent restrictions that would prove burdensome to
4	present and future economic activity in the region; and
5	WHEREAS concerns noted in the nomination have been and are currently being
6	vigorously addressed through a variety of institutions and measures; and
7	WHEREAS 277,100 square nautical miles of the Aleutian Islands are already
8	designated as a habitat conservation area; and
9	WHEREAS fishing in the region has long been under the conscientious, effective
10	stewardship of local residents, the North Pacific Fishery Management Council, the Alaska
11	Board of Fisheries, the National Marine Fisheries Service, and the Alaska Department of Fish
12	and Game; and
13	WHEREAS the Aleutian Islands are subject to the North Pacific Fishery Management
14	Council's Aleutian Islands Fishery Ecosystem Plan, which provides for heightened scientific
15	scrutiny to assess and enrich the health of the ecosystem, the sustainability of fisheries, and
16	the well-being of communities in the region; and
17	WHEREAS risks associated with shipping are being addressed through the ongoing
18	Aleutian Islands Risk Assessment, which includes the development of the Optimal Response
19	System to increase towing, salvage, and spill response capabilities in the region; and
20	WHEREAS, in December 2014, President Obama withdrew the 32,500,000-acre
21	North Aleutian Basin Planning Area from oil and gas leasing, and, in any case, oil and gas
22	development in the region is not feasible in the foreseeable future; and
23	WHEREAS strong Environmental Protection Agency regulations are already in place
24	to address potential issues involving invasive species; and
25	WHEREAS, at this time, the legislature is unaware of any support from local
26	communities, local tribes, or other local groups for this nomination; and
27	WHEREAS, in the wake of the Public Employees for Environmental Responsibility
28	nomination, the Aleutians East Borough Assembly, the federally recognized Agdaagux Tribe
29	of King Cove, and the Akutan Traditional Council have published official declarations of
30	their strong opposition to the creation of an Aleutian Islands National Marine Sanctuary;

31

BE IT RESOLVED that the Alaska State Legislature is vehemently opposed to the

- nomination by the Washington, D.C., based Public Employees for Environmental Responsibility for the creation of an Aleutian Islands National Marine Sanctuary.
- 3 **COPIES** of this resolution shall be sent to the Honorable Penny Pritzker, United
- 4 States Secretary of Commerce; the Honorable Kathryn Sullivan, Ph.D., Under Secretary of
- 5 Commerce for Oceans and Atmosphere and National Oceanic and Atmospheric
- 6 Administration Administrator; and the Honorable Lisa Murkowski and the Honorable Dan
- 7 Sullivan, U.S. Senators, and the Honorable Don Young, U.S. Representative, members of the
- 8 Alaska delegation in Congress.
