FISCAL NOTE ANALYSIS

STATE OF ALASKA
2015 LEGISLATIVE SESSION

BILL NO. HB 32

Analysis

HB 32 authorizes employers to drug test injured workers for controlled substances listed in schedule IA under AS 11.71.140, and authorizes the Alaska Workers' Compensation Board to adopt regulations under the Workers' Compensation Act pertaining to prescribing controlled substances listed in schedule IA under AS 11.71.140 or controlled opium substances listed in schedule IIIA under AS 11.71.160. While the bill directs the Board to adopt regulations to implement new sections 23.30.095(p) and (q), no such regulatory action is apparent.

There is no fiscal impact to the department anticipated as a result of this legislation.
