4               (a) The court shall, when presented with credible evidence, unless the victim

6               offense to make restitution as provided in this section, including restitution to the  
7               victim or other person injured by the offense, to a public, private, or private nonprofit  
8               organization that has provided or is or will be providing counseling, medical, or

14              effects of the defendant's crime. In determining the amount and method of payment of  
15              restitution or compensation, the court shall take into account the

(1) public policy that favors requiring criminals to compensate for damages and injury, including loss of income, to their victims; and

(2) financial burden placed on the victim and those who provide services to the victim and other persons injured by the offense as a result of the criminal conduct of the defendant.

\* **Sec. 2.** AS 12.55.045(n) is amended to read:

**(1) "conviction" means that the defendant has entered a plea of guilty, guilty but mentally ill, or nolo contendere, or has been found guilty or guilty but mentally ill by a court or jury;**

**(2) "loss of income" includes the total loss of income a business or person suffers as a result of not having stolen property available during the time it takes to obtain a replacement.**

\* **Sec. 3.** AS 12.55.045 is amended by adding a new subsection to read:

(o) In determining the amount of actual damage or loss for restitution under this section, the court shall value property as the market value of the property at the time and place of the crime or, if the market value cannot reasonably be ascertained, the cost of replacement of the property within a reasonable time after the crime.

\* **Sec. 4.** AS 12.55.100(a) is amended to read:

(a) While on probation and among the conditions of probation, the defendant may be required

(1) to pay a fine in one or several sums;

(2) to make restitution or reparation to aggrieved parties for actual damages or loss caused by the crime for which conviction was had, including compensation to a victim that is a nonprofit organization for the value of labor or goods provided by volunteers if the labor or goods were necessary to alleviate or mitigate the effects of the defendant's crime; **when determining the amount of actual damages or loss under this paragraph, the court shall value property as the market value of the property at the time and place of the crime or, if the market value cannot reasonably be ascertained, the cost of the replacement of the property within a reasonable time after the crime;**

1                   (3) to provide for the support of any persons for whose support the  
2 defendant is legally responsible;

3                   (4) to perform community work in accordance with AS 12.55.055;

4                   (5) to participate in or comply with the treatment plan of an inpatient  
5 or outpatient rehabilitation program specified by either the court or the defendant's  
6 probation officer that is related to the defendant's offense or to the defendant's  
7 rehabilitation;

8                   (6) to satisfy the screening, evaluation, referral, and program  
9 requirements of an agency authorized by the court to make referrals for rehabilitative  
10 treatment or to provide rehabilitative treatment; and

11                   (7) to comply with a program established under AS 47.38.020.
