\* **Sec. 4.** AS 09 is amended by adding a new chapter to read:

**Chapter 58. Alaska Medical Assistance False Claim and Reporting Act.**

**Sec. 09.58.010. False claims for medical assistance; civil penalty.** (a) A medical assistance provider or medical assistance recipient may not

- (1) knowingly submit, authorize, or cause to be submitted to an officer

or employee of the state a false or fraudulent claim for payment or approval under the medical assistance program;

(2) knowingly make, use, or cause to be made or used, directly or indirectly, a false record or statement to get a false or fraudulent claim for payment paid or approved by the state under the medical assistance program;

(3) conspire to defraud the state by getting a false or fraudulent claim paid or approved under the medical assistance program;

(5) knowingly enter into an agreement, contract, or understanding with an officer or employee of the state for approval or payment of a claim under the medical assistance program knowing that the information in the agreement, contract, or understanding is false or fraudulent.

(b) A beneficiary of an intentional or inadvertent submission of a false or fraudulent claim under the medical assistance program who later discovers the claim is false or fraudulent shall disclose the false or fraudulent claim to the state not later than 60 days after discovering the false claim.

(c) In addition to any criminal penalties or seizure or forfeiture of property under AS 47.05, a medical assistance provider or medical assistance recipient who violates (a) or (b) of this section shall be liable to the state in a civil action for

(1) a civil penalty of not less than \$5,500 and not more than \$11,000;

(2) three times the amount of actual damages sustained by the state;

and

(3) reasonable attorney fees and costs calculated under applicable court rules.

(d) Liability for actual damages under (c) of this section may be reduced to not less than twice the amount of actual damages that the state sustains if the court finds that a person liable for an act under (a) or (b) of this section

(1) furnished the attorney general or the Department of Health and Social Services with all information known to the person about the violation not later

than 30 days after the date the information was obtained;

(2) fully cooperated with the investigation of the violation under AS 09.58.020; and

(3) at the time the person furnished the attorney general with the information about the violation, no criminal prosecution, civil action, investigation, or administrative action had been started in this state with respect to the violation, and the person did not have actual knowledge of the existence of an investigation of the violation.

(e) A corporation, partnership, or other individual is liable under this chapter for acts of its agents if the agent acted with apparent authority, regardless of whether the agent acted, in whole or in part, to benefit the principal and regardless of whether the principal adopted or ratified the agent's claims, representations, statement, or other action or conduct.

**Sec. 09.58.015. Attorney general investigation; civil action.** (a) The attorney general or the Department of Health and Social Services may investigate an alleged violation of AS 09.58.010. The attorney general may request assistance from the Department of Health and Social Services in an investigation under this section.

(b) The attorney general may bring a civil action in superior court under AS 09.58.010 - 09.58.060.

**Sec. 09.58.020. Private plaintiff; civil action.** (a) Notwithstanding AS 09.58.015, a person may bring an action under this section for a violation of AS 09.58.010 in the name of the person and the state.

(b) To bring an action under this section, a person shall file a complaint, in camera and under seal, and serve on the attorney general

(1) a copy of the complaint; and

(2) written disclosure of substantially all material evidence and information the person possesses that pertains to the claim.

(c) A complaint filed under this section must remain under seal for at least 60 days and may not be served on the defendant until the court so orders. The attorney general may elect to intervene and proceed with the action within 60 days after the attorney general receives both the complaint and the material evidence and the

information required under (b) of this section. The attorney general may, for good cause shown, move the court, under seal, for an extension of the time during which the complaint remains under seal under this subsection.

(d) Before the expiration of the 60-day period or an extension of time granted under (c) of this section, the attorney general shall conduct an investigation and make a written determination as to whether substantial evidence exists that a violation of AS 09.58.010 has occurred. After the investigation and determination are complete, the attorney general shall provide the person who brought the action and the Department of Health and Social Services with a copy of the determination unless the action has been referred to the division of the Department of Law that has responsibility for criminal cases.

(e) Before the expiration of the 60-day period or an extension obtained under (c) of this section, the attorney general shall

(1) intervene in the action and proceed with the action on behalf of the state;

(2) notify the court that the attorney general declines to take over the action, in which case the person bringing the action has the right to conduct the action; or

(3) if the attorney general determines that substantial evidence does not exist that a violation of AS 09.58.010 has occurred, or that the action is barred under AS 09.58.050, the attorney general shall move the court to dismiss the action.

(f) The named defendant in a complaint filed under this section is not required to respond to a complaint filed under this section until after the complaint is unsealed by the court and a copy of the summons and complaint are served on the defendant under the applicable Alaska Rules of Civil Procedure.

(g) When a person brings an action under this section, only the attorney general may intervene or bring a related action based on similar facts to the underlying action.

**Sec. 09.58.025. Subpoenas.** In conducting an investigation under AS 09.58.015 or 09.58.020, the attorney general may issue subpoenas to compel the production of books, papers, correspondence, memoranda, and other records in

1 connection with an investigation under or the administration of AS 09.58.010 -  
2 09.58.060. If a medical assistance provider or a medical assistance recipient fails or  
3 refuses, without just cause, to obey a subpoena issued under this subsection, the  
4 superior court may, upon application by the attorney general, issue an order requiring  
5 the medical assistance provider or medical assistance recipient to appear before the  
6 attorney general to produce evidence.

7 **Sec. 09.58.030. Rights in false or fraudulent claims actions.** (a) If the  
8 attorney general elects to intervene and proceed with an action under AS 09.58.020,  
9 the attorney general has exclusive authority for prosecuting the action and is not bound  
10 by an act of the person bringing the action. The person who brought the action has the  
11 right to continue as a nominal party to the action, but does not have the right to  
12 participate in the action except as a witness or as otherwise directed by the attorney  
13 general. If the attorney general elects to intervene under AS 09.58.020, the attorney  
14 general may file a new complaint or amend the complaint filed by the person who  
15 brought the action under AS 09.58.020(b).

16 (b) Notwithstanding the objections of the person who brought the action, the  
17 attorney general may

18 (1) move to dismiss the action at any time under this chapter if the  
19 attorney general has notified the person who brought the action of the intent to seek  
20 dismissal and the court has provided the person who brought the action with an  
21 opportunity to respond to the motion;

22 (2) settle the action with the defendant at any time, if the court  
23 determines, after a hearing, that the proposed settlement is fair, adequate, and  
24 reasonable under all the circumstances; upon a showing of good cause, the hearing  
25 described in this paragraph shall be held in camera.

26 (c) If the attorney general elects not to proceed under AS 09.58.020 with the  
27 action, the person who brought the action has the right to proceed and conduct the  
28 action. The attorney general may request at any time during the proceedings to be  
29 served with copies of all documents related to the action, including pleadings,  
30 motions, and discovery. The attorney general shall pay for the reasonable copying  
31 charges for documents provided under this subsection. If the person who brought the

1 action proceeds with the action, the court, without limiting the status and rights of the  
2 person who brought the action, shall allow the attorney general to intervene at any  
3 time.

4 (d) Whether or not the attorney general proceeds with the action under this  
5 chapter, on a showing by the attorney general that certain actions of discovery by the  
6 person bringing the action would interfere with pending investigation or prosecution  
7 of a criminal or civil proceeding arising out of the same matter, the court may stay the  
8 discovery for not more than 90 days. The court may extend the 90-day period on a  
9 further showing, in camera, that the state has pursued the criminal or civil  
10 investigation or proceedings with reasonable diligence and that proposed discovery in  
11 the civil action under AS 09.58.010 - 09.58.060 may interfere with the ongoing  
12 criminal or civil investigation or proceedings.

13 **Sec. 09.58.040. Award to false or fraudulent claim plaintiff.** (a) If the  
14 attorney general proceeds with an action brought by a person for a violation of  
15 AS 09.58.010, the person who brought the action shall receive at least 15 percent but  
16 not more than 25 percent of the proceeds of the action or settlement of the claim,  
17 depending on the extent to which the person bringing the action contributed to the  
18 prosecution of the action. The court order or settlement agreement shall state the  
19 percentage and the amount to be received by the person who brought the action. A  
20 payment under this subsection to the person who brought the action may only be paid  
21 from proceeds received from a judgment or settlement under this section.

22 (b) If the attorney general does not proceed with an action brought under  
23 AS 09.58.020, the person bringing the action to judgment or settlement by court order  
24 shall receive an amount that the court decides is reasonable for collecting the civil  
25 penalty and damages based on the person's effort to prosecute the action successfully.  
26 The amount shall be at least 25 percent but not more than 30 percent of the proceeds  
27 of the action or settlement of the claim. A payment under this subsection to the person  
28 who brought the action may only be paid from proceeds received from a judgment or  
29 settlement received under this section.

30 (c) Whether or not the attorney general participates in the action, if the court  
31 finds that the action was brought by a person who planned or initiated the violation

1 alleged in the action brought under AS 09.58.020, the court may, to the extent the  
2 court considers appropriate, reduce the share of the proceeds of the action that the  
3 person would otherwise receive under (a) or (b) of this section, taking into account the  
4 role of that person in advancing the case to litigation and any relevant circumstances  
5 pertaining to the violation. If the person bringing the action is convicted of criminal  
6 conduct arising from the person's role in the violation of AS 09.58.010, the court shall  
7 dismiss the person from the civil action and the person may not receive any share of  
8 the proceeds of the action or settlement. A dismissal under this subsection does not  
9 prejudice the right of the attorney general to continue the action.

10 (d) In this section, "proceeds of the action or settlement"

11 (1) includes damages, civil penalties, payment for cost of compliance,  
12 and other economic benefits realized by the state as a result of a civil action brought  
13 under AS 09.58.010 - 09.58.060;

14 (2) does not include attorney fees and costs awarded to the state.

15 **Sec. 09.58.050. Certain actions barred.** (a) A person may not bring an action  
16 under AS 09.58.020 if the action is

17 (1) based on evidence or information known to the state when the  
18 action was brought;

19 (2) based on allegations or transactions that are the subject of a civil or  
20 criminal action or an administrative proceeding in which the state is already a party;

21 (3) based on the public disclosure of allegations or actions in a  
22 criminal or civil action or an administrative hearing, or from the news media, unless  
23 the action is brought by the attorney general or the person bringing the action is an  
24 original source of the information that was publicly disclosed; in this paragraph, a  
25 person is an original source of the information that was publicly disclosed if the  
26 person has independent knowledge, including knowledge based on personal  
27 investigation of the defendant's conduct, of the information on which the allegations  
28 are based, and has voluntarily provided or verified the information on which the  
29 allegations are based or voluntarily provided the information to the attorney general  
30 before filing an action under AS 09.58.020 that is based on the information; or

31 (4) against the state or current or former state employees.

**Sec. 09.58.060. State not liable for attorney fees, costs, and other expenses.**

The state, its agencies, current or former officers, and current or former employees, are not liable for attorney fees, costs, and other expenses that a person incurs in bringing an action under AS 09.58.020.

**Sec. 09.58.070. Employee protection for retaliation.** (a) An employee of a medical assistance provider who is discharged, demoted, suspended, threatened, harassed, or discriminated against in the terms and conditions of employment by the employee's employer because of lawful acts done by the employee on behalf of the employee or others in furtherance of an action under AS 09.58.010 - 09.58.060, including investigation for, initiation of, testimony for or assistance in an action filed or to be filed under AS 09.58.010 - 09.58.060, is entitled to the same relief authorized under AS 39.90.120.

(b) Notwithstanding (a) of this section, a state employee who is discharged, demoted, suspended, threatened, harassed, or discriminated against in the terms and conditions of employment because of lawful acts done by the employee on behalf of the employee or a person who brings an action under AS 09.58.020 or in furtherance of an action under AS 09.58.010 - 09.58.060, including investigation, initiation of, testimony for or assistance in an action filed or to be filed under AS 09.58.010 - 09.58.060, is entitled to relief under AS 39.90.100 - 39.90.150 (Alaska Whistleblower Act).

(c) A person may not bring an action under this section unless the action is commenced not later than three years after the date the employee was subject to retaliation under (a) or (b) of this section.

**Sec. 09.58.080. Regulations.** The attorney general may adopt regulations under AS 44.62 as necessary to carry out the purposes of this chapter.

The audits under this section must include both on-site audits and desk audits and must be of a variety of provider types. The department may not award a contract under this subsection to an organization that does not retain persons with a significant level of expertise and recent professional

practice in the general areas of standard accounting principles and financial auditing and in the specific areas of medical records review, investigative research, and Alaska health care criminal law. The contractor, in consultation with the commissioner, shall select the providers to be audited and decide the ratio of desk audits and on-site audits to the total number selected. **In identifying providers who are subject to an audit under this chapter, the department shall attempt to minimize concurrent state or federal audits.**

\* **Sec. 9.** AS 47.05.200(b) is amended to read:

After the department receives the report, the medical assistance provider and the department shall enter into an agreement establishing a schedule for repayment of the identified overpayment. The agreement may authorize repayment in

1 a lump sum, a payment plan, or by offsetting future billings as approved by the  
2 department.

3 \* **Sec. 11.** AS 47.05 is amended by adding new sections to read:

4 **Sec. 47.05.250. Civil penalties.** (a) The department may adopt regulations to  
5 impose a civil penalty against a provider who violates this chapter, AS 47.07, or

8 not more than \$25,000 for each violation.

10 available under this chapter, AS 47.07, or regulations adopted under this chapter or  
11 AS 47.07.

13 **medical assistance fraud cases.** (a) Upon written application by the attorney general  
14 establishing probable cause that a medical assistance provider has committed or is  
15 committing medical assistance fraud under AS 47.05.210, the court may authorize the  
16 seizure of real or personal property listed in (e) of this section to cover the cost of the  
17 alleged fraud. The application may be made ex parte if the attorney general establishes  
18 sufficient facts to show that notice to the owner of the property would lead to the  
19 waste or dissipation of assets subject to seizure. If the attorney general does not  
20 establish sufficient facts to show that notice to the owner would lead to the waste or  
21 dissipation of assets subject to seizure, the application for seizure must be served on  
22 the owners of the property.

23 (b) Upon issuance of the court order authorizing seizure, the owners of the  
24 property may not take any action to dispose of the property through transfer of title or  
25 sale of the property without written permission from the court. However, an innocent  
26 purchaser may not be required to forfeit property purchased in good faith. The  
27 purchaser bears the burden of proof to establish that the property was purchased  
28 innocently and in good faith.

29 (c) If a medical assistance provider is convicted of medical assistance fraud  
30 under AS 47.05.210 after property is seized under this section, the court may order  
31 that the property be forfeited to the state and disposed of as directed by the court. If

the property has been sold, the proceeds of the sale shall be transmitted to the proper state officer or employee for deposit into the general fund.
