Approved By: Sana Efird, Asst. Commissioner, Finance and Management Services	Date: 01/25/16
Agency: Health and Social Services	

FISCAL NOTE ANALYSIS

STATE OF ALASKA
2016 LEGISLATIVE SESSION

BILL NO. SB124

Analysis

Legislation is needed to reauthorize the Alaska Commission on Aging for eight years.

The Alaska Commission on Aging satisfies a requirement of the federal Older Americans Act (OAA). States receiving OAA funding are required to have an advisory council that:

- Must be comprised of older individuals eligible to participate in OAA-funded programs;
- Advises the “state unit on aging” regarding matters of aging issues. In Alaska, the Department of Health and Social Services (DHSS) is the state unit on aging as designated by the Governor. The Alaska Commission on Aging serves as the advisory council to DHSS and satisfies this federal requirement.

The commission consists of eleven seats and has a staff of four full-time employees.

The Older Americans Act provided approximately \$11 million in funding for Alaska’s senior programs in FY2016. This funding supports a variety of services for seniors such as the Office of the Long-Term Care Ombudsman, the Alaska Housing Finance Corporation senior housing office, the Department of Labor’s Mature Alaskans Seeking Skills Training program, and Nutrition, Transportation, and Support Services grants issued through the Division of Senior and Disabilities Services.

The proposed legislation would amend AS 44.66.010(a)(4) to extend the Commission’s sunset date by eight years to June 30, 2024.

The Commission is funded in part (\$348.1) by a reimbursable services agreement from the Senior and Disabilities Services Administration component. A small part (\$73.5) of that Senior and Disabilities Services Administration RSA funding is drawn from a Title III Older Americans Act grant from the federal DHHS Administration for Community Living.
