

HOUSE CONCURRENT RESOLUTION NO. 17

IN THE LEGISLATURE OF THE STATE OF ALASKA

TWENTY-NINTH LEGISLATURE - SECOND SESSION

BY REPRESENTATIVE HUGHES

Introduced: 1/29/16

Referred: Transportation

A RESOLUTION

1 **Supporting the aviation industry; and urging the governor to make state-owned land**
2 **available to the unmanned aircraft systems industry for the management and operation**
3 **of unmanned aircraft systems and related research, manufacturing, testing, and**
4 **training.**

5 **BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

6 **WHEREAS** the overall health of the economy of the United States is highly
7 dependent on the aviation industry; and

8 **WHEREAS** the civil aviation industry annually creates approximately 5.4 percent of
9 the gross domestic product in the United States and contributes approximately
10 \$1,500,000,000,000 to the economy nationwide; and

11 **WHEREAS** the aviation industry generates more than 11,800,000 jobs, with
12 estimated total employment-related earnings of \$459,000,000,000; and

13 **WHEREAS** the state anticipates 173 new jobs in the aviation industry that would
14 generate approximately \$9,400,000 in employment-related earnings and an additional 175
15 jobs indirectly created by the aviation industry that would bring \$10,600,000 of employment-

1 related earnings into the state's economy; and

2 **WHEREAS** the aviation industry enables the economic benefits of tourism, shipping,
3 and travel for business or recreational purposes; and

4 **WHEREAS** ongoing development and implementation of unmanned aircraft systems
5 technologies, policies, and procedures will support continuing economic growth in the
6 aviation industry; and

7 **WHEREAS** the aviation industry affects the economies of large and small
8 communities across the United States; and

9 **WHEREAS** the use and regulation of unmanned aircraft systems must be integrated
10 with the use and regulation of manned aircraft systems to ensure that all aircraft can safely
11 navigate national airspace; and

12 **WHEREAS** the state owns approximately 27 percent of the state's landmass, and the
13 landmass of the state makes up approximately 20 percent of the landmass of the United
14 States; therefore, the state owns approximately five percent of the landmass of the United
15 States; and

16 **WHEREAS** the state can support the growth of the unmanned aircraft systems
17 industry and the advancement of unmanned aircraft systems technology by facilitating the use
18 or purchase of land by the unmanned aircraft systems industry for the purpose of research,
19 manufacturing, testing, training, management, and operation;

20 **BE IT RESOLVED** that the Alaska State Legislature supports the economic growth
21 of the unmanned aircraft systems industry in the state and encourages the establishment of
22 safe and responsible unmanned aircraft systems businesses in the state; and be it

23 **FURTHER RESOLVED** that the Alaska State Legislature urges the governor to
24 make state-owned land available to responsible designers, owners, developers, and operators
25 of commercial unmanned aircraft systems to use for research, manufacturing, testing, training,
26 management, and operation of those systems.
