Agency:	Health and Social Services		

## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2016 LEGISLATIVE SESSION

BILL NO. HB226

### Analysis

The proposed legislation would amend AS 44.66.010(a)(4) to extend the Commission's sunset date by eight years to June 30, 2024

The federal government, through its Department of Health and Human Services Administration on Aging, provides funding to support services for individuals over the age of 60 as required by the Older Americans Act (OAA). To be eligible to receive OAA funding, each state must designate a "state unit on aging" and develop a state plan. The State of Alaska has designated Health and Social Services as its state unit on aging.

The operations of Alaska's state unit on aging are carried out jointly by DHSS' Division of Senior and Disabilities Services (DSDS) and the Commission on Aging. DSDS administers state and federally funded grant programs. The commission is responsible for developing the state plan and performing advocacy, outreach, and educational activities.

In accordance with OAA Section 305, a state may be divided into a number of planning and service areas or, as in the case of Alaska, be a single planning and service area. OAA Section 306 (a)(6)(D) requires that planning and service agencies:

(D) establish an advisory council consisting of older individuals (including minority individuals and older individuals residing in rural areas) who are participants or who are eligible to participate in programs assisted under this Act, family caregivers of such individuals, representatives of older individuals, service providers, representatives of the business community, local elected officials, providers of veterans' health care (if appropriate), and the general public, to advise continuously the area agency on aging on all matters relating to the development of the area plan, the administration of the plan and operations conducted under the plan;

In Alaska, the commission serves as the "advisory council."

The Senior and Disabilities Services Administrative component receives \$603.2 in Older Americans Act funding, requiring \$166.7 in state match:

\$248.0 Personal Services to fund two Health Program Manager II Positions (PCN 02-1515, 06-2342)

\$1.4 Travel for site reviews

\$520.2 Services

\$0.3 Commodities
