A BILL

FOR AN ACT ENTITLED

"An Act relating to insurance coverage for anti-cancer medications."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

* **Section 1.** AS 21.42 is amended by adding a new section to read:

Sec. 21.42.430. Coverage for anti-cancer medication. (a) Except for a fraternal benefit society, a health care insurer that offers, issues for delivery, delivers, or renews in this state a health care insurance plan that provides coverage for anti-cancer medications that are injected or intravenously administered by a health care provider and patient-administered anti-cancer medications, including those orally administered or self-injected, may not require a higher copayment, deductible, or coinsurance amount for a patient-administered medication than it requires for an anti-cancer medication injected or intravenously administered by a health care provider, regardless of the formulation or benefit category determination by the policy or plan.

- (b) A health care insurer may not offset the costs of compliance with (a) of this section by
 - (1) increasing the copayment, deductible, or coinsurance amount

required for anti-cancer medications injected or intravenously administered by a health care provider that are covered under the health insurance plan; or

- (2) reclassifying benefits with respect to anti-cancer medications.
- Nothing in this section prohibits a health care insurance plan from requiring different cost-sharing rates for in-network and out-of-network providers or pharmacies.
- (d) In this section, "anti-cancer medication" means a drug or biologic used to kill cancerous cells or to slow or prevent the growth of cancerous cells.
- * Sec. 2. The uncodified law of the State of Alaska is amended by adding a new section to read:

APPLICABILITY. AS 21.42.430, enacted by sec. 1 of this Act, applies to a health insurance policy that is offered, issued for delivery, delivered, or renewed on or after the effective date of this Act.
