Governor Bill Walker  
STATE OF ALASKA

January 15, 2016

The Honorable Kevin Meyer  
President of the Senate  
Alaska State Legislature  
State Capitol, Room 111  
Juneau, AK 99801-1182

Dear President Meyer:

Under the authority of Article III, Section 18 of the Alaska Constitution, I am transmitting a bill relating to the taxes on cigarettes and tobacco products, and taxing electronic smoking devices.

Smoking technology has advanced beyond single use paper-rolled cigarettes to include multiple use electronic smoking devices. Therefore, our tobacco tax statutes (AS 43.50 Cigarette Tax Act) should be revised to include this new smoking device as taxable.

To further update our outdated tobacco tax structure, I propose to amend the additional tax levy on cigarettes – which has not been raised since 2007 – from 62 mills to 112 mills. I also propose increasing the tax rate on tobacco products (other than cigarettes) from 75 percent of the wholesale price to 100 percent of the wholesale price. These reasonable adjustments will bring our tax structure up to date and are expected to generate additional revenue of approximately \$29,000,000 annually.

To increase administrative efficiency for the Department of Revenue and state taxpayers, the bill would require the electronic submission of tax returns with an exemption available upon request.

The bill is an integral component of the New Sustainable Alaska Plan to provide a balanced and sustainable budget for Alaska's long-term fiscal stability.

I urge your prompt and favorable action on this measure.

Sincerely,

A handwritten signature in blue ink that reads "Bill Walker".

Bill Walker  
Governor
