FISCAL NOTE ANALYSIS

STATE OF ALASKA 2016 LEGISLATIVE SESSION

Analysis

patient is not required to choos requires a hospital to attempt to discharged, meet and instruct the record. The hospital may contra provisions of the statute if comp	ive a discharging patient the opportunity to name a caregiver to provide aftercare; a see or name a caregiver, and the named caregiver is not obligated to provide aftercare. It so contact the named caregiver, notify the named caregiver of when the patient will be the named caregiver in aftercare tasks, and record this information in the patient's medical act out the duty to instruct the caregiver. The bill allows non-compliance with the pliance would delay discharge, and specifies that the provisions of the statute do not ainst a hospital, its employees or contractors.
These provisions do not represe	ent an additional cost to the Department.
