4 contain language substantially similar to the following: "Shall (name of village) adopt
5 a local option to prohibit the operation of marijuana establishments? (yes or no)."

6 **Sec. 17.38.210. Removal of local option.** (a) If a majority of the voters voting
7 on the question vote to remove the option, an established village shall remove a local
8 option previously adopted under AS 17.38.200. The option is repealed effective the

12 remove the local option currently in effect, that prohibits the operation of marijuana
13 establishments, so that there is no longer any local option in effect? (yes or no)."

14 (c) When issuing a registration in the area that has removed a local option, the
15 board shall give priority to an applicant who was formerly registered and whose
16 registration was not renewed because of the results of the previous local option
17 election. However, an applicant described in this subsection does not have a legal right
18 to registration, and the board is not required to approve the application.

19 **Sec. 17.38.220. Effect on registrations of prohibition of marijuana**
20 **establishments.** If a majority of voters vote to prohibit the operation of marijuana
21 establishments under AS 17.38.200, the board may not issue, renew, or transfer,
22 between persons or locations, a registration for a marijuana establishment located
23 within the perimeter of the established village. A registration that may not be renewed
24 because of a local option election held under AS 17.38.200 is void 90 days after the
25 results of the election are certified. A registration that expires during the 90 days after
26 the results of a local option election are certified may be extended, until it is void
27 under this section, by payment of a prorated portion of the annual registration fee.

29 **election.** (a) If a majority of the voters vote to prohibit the operation of marijuana
30 establishments under AS 17.38.200, a person may not knowingly sell, purchase, or

2 prohibition on sale, purchase, and manufacture is effective beginning 90 days after the
3 results of the election are certified. If there are no registered establishments within the
4 established village, the prohibition on possession is effective beginning 60 days after
5 the results of the election are certified.

6 (c) A person who violates this section is guilty, upon conviction, of a class A
7 misdemeanor. Each violation is a separate offense.

8 **Sec. 17.38.240. Procedure for local option elections.** (a) An election to adopt
9 a local option under AS 17.38.200 or remove a local option under AS 17.38.210 shall
10 be conducted as required in this section.

11 (b) Upon receipt of a petition of 35 percent or more of the registered voters
12 residing within an established village, the lieutenant governor shall place on a separate
13 ballot at a special election the local option or removal of local option that constitutes
14 the subject of the petition. The lieutenant governor shall conduct the election under
15 AS 15.

16 (c) An election under (b) of this section to remove a local option may not be
17 conducted during the first 24 months after the local option was adopted or more than
18 once in a 36-month period.

19 (d) After a petition has been certified as sufficient to meet the requirements of
20 (b) of this section, another petition may not be filed or certified until after the question
21 presented in the first petition has been voted on. Only one local option question may
22 be presented in an election.

23 **Sec. 17.38.250. Establishment of perimeter of established village.** (a)
24 Except as provided under (b) and (c) of this section, for purposes of AS 17.38.200 and
25 17.38.220, the perimeter of an established village is a circle around the established
26 village that includes an area within a five-mile radius of the post office of the
27 established village. If the established village does not have a post office, the perimeter
28 of an established village is a circle around the established village that includes an area
29 within a five-mile radius of another site selected by the local governing body or by the
30 board if the established village does not have a local governing body.

31 (b) If the perimeter of an established village determined under (a) of this

1 section includes any area that is within the perimeter of another established village
2 and, if the other established village has

3 (1) also adopted a local option under AS 17.38.200, the local option of
4 the established village that is less restrictive applies in the overlapping area;

5 (2) not adopted a local option under AS 17.38.200, the local option
6 does not apply in the overlapping area.

7 (c) If the board determines that the perimeter of an established village as
8 provided under (a) and (b) of this section does not accurately reflect the perimeter of
9 the established village, the board may establish the perimeter of the established village
10 and the areas of overlapping perimeter described under (b) of this section for purposes
11 of applying a local option selected under this chapter.

12 **Sec. 17.38.260. Notice of the results of a local option election.** If a majority
13 of the voters vote to prohibit or remove a local option under AS 17.38.200 or
14 17.38.210, the lieutenant governor shall notify the board of the results of the election
15 immediately after the results are certified. The board shall immediately notify the

29 of the plant, its seeds, or its resin, including marijuana concentrate; "marijuana" does
30 not include fiber produced from the stalks, oil, or cake made from the seeds of the
31 plant, sterilized seed of the plant that [WHICH] is incapable of germination, or the
