Dear Governor Bill Walker:

It pleases me greatly to now be able to address you officially as "Governor"! I support you and your administration and pledge my continued confidence in your vision for Alaska.

I write to support and endorse Sheri Buretta for a UA Board of Regent (BOR) vacancy. Sheri Buretta is the Chairman of the Chugach Corporation, and has served on the AFN board since the late 1980's. Sheri has a lot of fiscal management experience through her work with Chugach, as well as with AFN, and other village corporations. She also has been extremely supportive of Alaska Native education endeavors and has been involved in helping shape Alaska Native related programs at UAA and other campuses. Her concern is how to get more young Alaska Native people educated and ready to take on 21st century challenges. She would be a very welcome addition to the UA BOR and would assist in the areas of budget/ resource management and identifying how to strengthen UA curricular offerings. We only have ONE Alaska Native BOR, who is amazing, but we need to add at least one more. Sheri has both a B. A. and MBA degree and is familiar with higher education.

I also highly recommend a BOR that comes from the private non-profit sector and the Arts. I have asked Julie Decker, Director of the Anchorage Museum to consider putting her hat in the ring, and she is very interested. Julie Decker has a PhD and has successfully managed the Anchorage Museum, which is a large and multi-faceted institution. The Dena'ina exhibit opened while she was the Senior Curator, and she has helped craft exhibits and educational programs that are relevant to Alaska and the northern region we live in. She has done major work in bringing architects from across the Northern Hemisphere (northern Europe, Canada, Greenland) to address how we can create better living spaces that match our Arctic and subarctic environment. She has helped to make the museum an exciting and relevant destination for Alaska residents, as well as for our visitors during the summer months. She would bring fiscal responsibility and management, as well as new creative ways so the University can re-invent itself.

I use the word 're-invent' purposefully, as the entire system does need to be re-examined. The UA system has been built upon a model that needs updating and needs to make itself more relevant to Alaska and our region. I believe that these two individuals would bring remarkable energy, ideas, and positivity to the UA BOR.

I appreciate having the opportunity to voice my opinion. Thank very very much!

Governor William Walker
Alaska State Capitol Building, Third Floor
P.O. Box 110001
Juneau, AK 99811-0001

Dear Governor Walker:

Chugach Alaska Corporation would like to request that you recommend Sheri Buretta for the University of Alaska Board of Regents.

Sheri is currently Chugach's Chairman of the Board of Directors and has a multi-decade history of leading in our community in an exemplary way. Here are some highlights of her leadership experiences during the past five years that make her an outstanding candidate for driving the vision and strategy for the University of Alaska:

Chairman of the Board/Executive Committee - Chugach Alaska Corporation: 1997 to present

- . Chairman, CAC Settlement Trust, Board of Trustees
- . Ex-Officio, All CAC Committees
- . Ex-Officio, All CAC Subsidiary Boards
- . Ex-Officio, Chugach Heritage Foundation Board

Director, Alaska Federation of Natives

Member and former President/Chairman, Association of ANCSA Regional Corporation Presidents/CEOs

President ROSSIA (Russian Orthodox Sacred Sites in Alaska)

Director, The Foraker Group

Treasurer, the Tatitlek Corporation

Former Treasurer, Prince William Sound Regional Citizens Advisory Council

Former Member, Anchorage Sister Cities Commission

Former Member, Alutiiq Alaska LLC

Aside from her enviable resume, what is truly unique about Sheri that makes her an ideal candidate for the Board of Regents, is her lifetime commitment to the growth and development of Alaska Natives, as evidenced by some of these key accomplishments:

- Sheri has worked extensively with UAA Alaska Native policies and programs groups to leverage the role of ANCs and to build opportunities for their shareholders.
- She has focused on development from an early age, through programs and initiatives designed for village youth grades K through 12. One example is the Nanwalek after school program for summer school students which provides paid part time work for these students in an economically challenged environment. These work opportunities

develop the student's skills and expertise and foster a keen sense of responsibility to contribute to the family welfare.

- She has supported the "next generation" by actively sponsoring students for Avtek training opportunities. This timeframe two of the three Chugach participants are women in nontraditional work roles such as heavy equipment operations.
- Within Chugach she has earmarked and continuously expanded numerous internships and apprenticeships for shareholders and descendants to begin their careers in the workplace.
- She has personally mentored, developed, and promoted several key employees in Chugach, both shareholders and employees. A great example is Millie Johnson, currently VP of Shareholder Development, whom she has groomed and promoted into greater, more responsible jobs over the past decade. Some of what Millie has to say about Sheri typifies what others say: "Sheri is a strong advocate ...She's very honest, open and compassionate. She knows how to "guide" without anyone even realizing it!" Millie cited Sheri's uncanny ability to stretch her mentees to the maximum and push them beyond their comfort level to grow. "Sheri stays in touch with her mentees over the long run (years and years): if they're struggling she reaches out a helping hand, and even if they have given up on themselves, she never gives up on them."
- She has worked with numerous external organizations routinely to create shareholder growth opportunities, e.g. via our customers, and through emerging business growth areas such as expanding retailers in Anchorage.
- Sheri is well connected to the Elder community and leverages the expertise of our Elders for the betterment of our collective shareholders, and Chugach.

We know that we need strong leaders with vision to further your continuous growth initiatives including the University's focus on "Shaping the Future." Sheri is an ideal candidate to provide the vision and direction for this important role!

Please contact me if you need any additional information, we are confident that Sheri Buretta will be a tremendous asset to the University of Alaska Board of Regents.

Sincerely,

Gabriel Kompkoff

The Honorable Bill Walker
Governor of Alaska
P.O. Box 110001
Juneau, Alaska 99811-0001

Dear Governor Walker,

As we recently discussed, I am interested in being considered for one of the positions that expire February 1, 2015 on the University of Alaska Board of Regents. Attached please find my resume for your favorable consideration for this appointment. In submitting my resume for consideration I very much would like to share my dedication, commitment, and knowledge about Alaska's people, programs, and resources to help "Shape Alaska's Future."

As a lifelong Alaska, I am familiar with the issues that have confronted and continue to challenge our state as well as our university system. I know from my own experience that a strong, sustainable state economy, social and cultural community and workforce are quite dependent on a dynamic university system, one that enhances its communities while addressing statewide needs. For such goal to be successful, they must work in a cooperative relationship. Neither stands alone.

My family's relationship with the University of Alaska dates back over 65 years to my father's attendance at the original campus in College in 1947. My earliest memories of higher education are of both my parents grinding their way through night school courses at the old Anchorage Community College. Each family generation since has been involved with the University system in some capacity as it has expanded, with family members attending in Fairbanks, Anchorage, Juneau, Bethel, and the Kenai Peninsula. I attended Anchorage Community College classes in mid-1970s, and as an adult, served two terms on the Kenai Peninsula College Council beginning in 1997, including one term as Chair.

In my working life, I have observed firsthand the important role played by the University in such areas as resource development, so critical for maintaining a strong economy. The University is integral for creating the skilled workforce so necessary for attracting and maintaining the kinds of businesses that will continue to move Alaska in a positive direction. In addition the University's established partnerships with schools, public entities, and private industry must continue to be flexible, to innovate and to be responsive to all its partners.

Throughout my career, I have worked with various community groups and nonprofit organizations that addresses issues associates with at-risk youth, education, environmental protection, resource development and transportation. For instance, I was privileged to serve on a federal advisory panel for the U.S. Department of Transportation. In the course of these assignments and in my regular work, I have traveled to and experienced every region our great state.

Governor, as you know, my commitment and devotion to the State of Alaska are steadfast. As a University of Alaska regent, I will work the strong goal of continued development and growth of a university system that attracts our best scholars and thinkers in Alaska and from elsewhere, and one that is held in high esteem around the world.

Sincerely,
