Subject: please support funding for a safe and healthy Alaska
Date: Monday, March 30, 2015 11:38:35 AM

Funding for services that prevent violence in our communities and that support the well being of children and families is urgent. Doing so is essential to prevent adverse experiences early in life that contribute to tragic outcomes later in life for our residents and communities. Please know that early trauma and violence contribute to many of the health, behavioral, and societal problems we have today!
