FISCAL NOTE ANALYSIS

STATE OF ALASKA 2015 LEGISLATIVE SESSION

BILL I	NO. H	B 035
--------	-------	-------

Analysis

This bill establishes March 27 of each year to honor those in the state who died in earthquakes, tsunamis and landslides after the most powerful earthquake in North America, as well as those who lost their lives attempting to save others. This bill serves to bring awareness to preparation and development of cost effective measures to support a safer approach to response to such natural disasters. It is requested that Alaska flags be flown at half-mast for the duration of March 27 of each year.				
The Department of Administration, Division of General Services does not anticipate any fiscal impact from the proposed legislation and therefore submits a zero fiscal note.
