Conflict of Interest

Full disclosure of personal financial data under AS 39.50.010 is required for certain boards and commissions. Are you willing to provide this information if required for the board or commission which you are applying?

Yes

Service in a public office is a public trust. The Ethics Act (AS 39.52.110) prohibits substantial and material conflicts of interest. Is it possible that you or any member of your family will benefit financially by decisions to be made by the board or commission for which you are applying? If you answer 'yes' to this question you MUST explain the potential financial benefit.

No

Please explain the potential financial benefit

EMPLOYMENT HISTORY

Physical Therapist Southcentral Foundation 12/14 - present

Staff physical therapist involved in all aspects of providing patient care to the native population in an outpatient therapy environment located in an integrated medical facility. Patient care includes performing initial evaluations, daily treatment, re-evaluations, development of home exercise programs, referring to the wellness center and discharging customer owners when appropriate. I also communicate with customer owners, family members, care providers and medical staff.

Physical Therapist Alaska Native Tribal Health Consortium 12/12 - 12/14

Staff physical therapist involved in all aspects of providing patient care to the native population in an outpatient therapy environment. I communicate with patients, family, other care providers and medical staff. I also develop home exercise programs for the patients so they can obtain their maximal medical improvement in the shortest possible time.

Physical Therapist Mat-Su Regional Medical Center, Palmer Alaska 11/10 - present

Pool physical therapist who covers weekends and holidays for the inpatient hospital population. Duties include performing initial evaluations, providing care/treatment, attending rounds as required/needed, communicating with various other medical staff and family members, evaluating and requesting equipment for patient needs upon discharge and performing hospital/corporate based continuing education as required.

Physical Therapist Eagle Center Physical Therapy, Eagle River Alaska 06/10 - 12/12

Staff physical therapist involved in all aspects of patient care including initial evaluations, progress notes and discharge summaries. I also assisted with marketing of the facility to local referral sources and attending events where I promoted health topics and our services to potential clients/patients. I brought two continuing education seminars (kinesiotherapy and spinal manipulation) to our clinic and changed the interior of the facility to provide a more energetic atmosphere.

Clinic Director/Physical Therapist Denali Physical Therapy, Anchorage Alaska 03/08 - 03/10

I helped open and was a limited partner of an outpatient orthopaedic clinic. Duties included doing due diligence with referral sources, researching a location for the practice, assisting with buildout design, marketing the facility and services to referral sources, identifying new revenue sources, ordering supplies/equipment and being responsible for the facility income statement. I also provided all aspects of patient care including evaluations, re-evaluations/progress notes, daily treatment and discharge summaries.

Business Development/Physical Therapist HealthSouth Rehabilitation Corp., Anchorage Alaska 10/06 - 05/08

The first part of my job duties included marketing the facility and staff to referral sources, identifying new revenue sources, diversifying and expanding facility operations, communicating to local staff the needs/preferences of referral sources and being a communication channel between staff and referral sources. I assisted in coordinating in services, surgery observations and educational opportunities for local staff. I also addressed patient questions/concerns and acted as a liaison between the patient, the referral source and the clinic. As a therapist I was responsible for patient care, including performing initial evaluations, treatment, re-evaluations/progress notes and discharge summaries.

Site Coordinator/Physical Therapist
HealthSouth Rehabilitation Corp., Anchorage Alaska
08/05 – 10/06

I was hired to bring the physical therapy portion of an integrated medical facility back into the black. Duties included; supervision of clinical and non-clinical staff, maintaining compliance with Medicare regulations, marketing the facility and staff to referral sources, obtaining new revenue streams, diversifying and expanding facility operations, delegating various job tasks to staff (pool maintenance, supply/equipment ordering, Medicare review staff education), maintaining compliance with HealthSouth policies, reporting to my chain of command, being responsible for the facility income statement, review of the facility general ledger, performing monthly staff meetings, conducting employee performance appraisals and hiring/firing of staff. I also provided all aspects of patient care including evaluations, reevaluations/progress notes and discharge summaries.

Owner/Operator
Personal Touch Physical Therapy, Hilton Head Island SC
1998 – 2005

I incorporated and opened an orthopaedic private practice. Duties included marketing the facility and services to physicians, designing and building out the practice, negotiating and contracting billing services as well as lease arrangements. I provided all aspects of patient care including initial evaluations, progress notes/re-evaluations and discharge summaries. I performed all equipment acquisition, obtained insurance and Medicare provider numbers and performed all other aspects of operating a private practice.

Physical Therapist Jasper County School System
1996 – 2005

Evaluate and provide services to physically (and usually mentally) challenged children, participate in IEP/staff meetings, communicate with facility and parents, provide progress notes of student progress and order equipment.

Physical Therapist Beaufort County School System
1997 – 2004

Evaluate and provide services to physically (and usually mentally) challenged children, participate in IEP/staff meetings, communicate with facility and parents, provide progress notes of student progress and order equipment.

Physical Therapist
Beaufort-Jasper Home Health Services, Ridgeland, SC
1995 – 1998

Evaluate and provide services to Medicaid home bound individuals, maintain open communication with staff/family and provide progress notes to physicians and ancillary services

Physical Therapist
Care One, Hilton Head Island, South Carolina
1994 – 1995

Provide services in an outpatient orthopaedic clinic including evaluations, treatment plans, progress notes and communication with other medical personnel.

Owner/Operator
Health Quest One Fitness Center, Hilton Head Island, SC
1993 – 2003

Perform daily business functions including interaction with members, facility maintenance, equipment repair, marketing, billing and supervision of employees. Duties also included designing the fitness center, equipment acquisition, lease negotiations, subcontractor negotiations, contract development in compliance with state law as well as all other duties associated with owning/operating a business.

Physical Therapist
ABC Home Health Agency, Merritt Island, FL
1993 – 1993

Evaluate and provide services to home bound individuals, maintain open communication with staff and provide progress notes to physicians and ancillary services.

Physical Therapist**HealthSouth Rehabilitation Corp., Merritt Island, FL****1992 – 1993**

Provide physical therapy services in an outpatient orthopaedic clinic. Duties included performing evaluations, developing treatment plans, writing progress notes, discharge summaries and communicating with physicians, peers, patients and family members.

Physical Therapist**South Miami Hospital, Miami, Florida****1991 - 1992**

Evaluate and provide services to post-op orthopaedic, neurological, wound and general deconditioned patients in an acute rehabilitation setting. Communicate with physicians, other staff, peers, patients and family members. I also filled in for other therapists in the rehab center and worked in the insensitive limb clinic with patients with chronic lower extremity circulatory problems.
