7 may be elected as a member of the United States Senate; and be it

8 **FURTHER RESOLVED** that this application shall be considered as covering the  
9 same subject matter as the applications from other states to the United States Congress to call

11 the United States House of Representatives and to the United States Senate; this application  
12 shall be aggregated with applications with the same subject matter as the applications from  
13 other states for the purpose of reaching the two-thirds of states necessary to require the United  
14 States Congress to call a limited convention on this subject, but may not be aggregated with  
15 any other applications on any other subject; and be it

16 **FURTHER RESOLVED** that this application constitutes a continuing application in  
17 accordance with art. V, Constitution of the United States, until at least two-thirds of the  
18 legislatures of the several states have applied for a similar convention of the states; and be it

19 **FURTHER RESOLVED** that the Alaska State Legislature urges the legislatures of  
20 the other 49 states to apply to the United States Congress to call a convention of the states.
