Subject: Funding cuts to Channel 9
Date: Friday, March 27, 2015 3:53:22 PM

Dear Committee Memebers:

I work in a rural healthcare setting in Unalaska, AK. Our community has KUCB as our PBS station. This station provides a wealth of information on the world that remote living students, and residents can never see except by TV, I emlore you to please not cut the funding of public broadcasting.

Thank you for your consideration.

Darrell A. Adkins, LPC-S LMFT
