To whom it may concern:

My dad is the oldest elder in the community and He is also blind. He get up in the morning and listens to the KSDP radio from 5:00 am to 10:00 am . He likes to listen to the news and the native broadcasting that on. At night he listen to the Anchorage news from 6:00 pm to 7:00 pm. If that taken away from him there no way I can replace it. Please don't shut down the funding for public Broadcasting or Channel 9. My dad will be devastated and there won't be anything I can do for him!

There also a lot of other people in the community that watch channel 9 and listen to KSDP public Radio. Please don't take it all away.

Thank you,

Patricia Curtis
