Best beginnings is a wonderful program. All 3 of my kids enjoy getting their books in the mail. It definitely encouraged their reading at an early age and their imagination is amazing. Currently my 5 year old and my 3 year old love listening to me read them the story, The Lion, the Witch and the Wardrobe. Their comprehension is amazing to me. I remember reading this series when I was in junior high. Please continue to fund this very important early education program.

Thank you,
