Subject: Preventing violence
Date: Monday, March 30, 2015 1:54:47 PM

Please reconsider allocation of funding and increase resources for the statewide prevention of domestic violence and sexual assault. Alaskans have lived through tremendous trauma and we are healing and leading the nation with new norms around equality, respect and community wellness. Funding currently impacts thousands of youth and future generations through the following programs and we need to continue this work!

Lead On!

REBOUND

Girls on the Run

Boy's Run

Coaching Boys Into Men

COMPASS

Stand Up, Speak Up

Talk Now, Talk Often
