Subject: Fund Public Radio!
Date: Monday, March 30, 2015 6:34:23 PM

Dear Senate Finance Committee:

Please continue to fund Raven Radio. I am a documentary filmmaker having lived in Sitka for five years, working in southeast for ten. I moved here because the public radio is so sophisticated. I felt like I could be here and feel connected. If you cut this funding, people will move away. This could have major ramifications.

Thanks,

Hannah Guggenheim
