Dear Senator Click Bishop,

My name is Charles Hinde. I live in Fairbanks, Alaska.

I am writing to express my concern about the elimination of the Interpreter Referral Line (IRL) funding. This budget cut will negatively affect many Deaf Alaskans and will make it difficult or impossible to achieve effective communication as required by the Americans with Disabilities Act. I know the State has less money to work with but it is important not to eliminate this program. Please restore the Interpreter Referral Line funding in the Dept. of Labor, DVR, Special Projects budget.

Thank you for your time and consideration.

Sincerely,
