FISCAL NOTE ANALYSIS

STATE OF ALASKA
2016 LEGISLATIVE SESSION

BILL NO. SB125

Analysis

This bill would place one member of the House and one member of the Senate as non-voting ex-officio members to the Alaska Gasline Development Corporation Board of Directors.

The bill would not impact the corporation's operating budget as this change to the composition of the corporation's board would not increase the operating expenses associated with the activities of the corporation's Board of Directors. It is assumed that any travel or per diem expenses attributable to the participation of these new legislative members of the AGDC board would be covered by their respective bodies. Consequently, this legislation has a zero impact on the corporation's operating budget.
