**FISCAL NOTE ANALYSIS**

**STATE OF ALASKA  
2016 LEGISLATIVE SESSION**

**BILL NO.** HB 266

**Analysis**

This Bill stipulates that the Board of Game (board) shall solicit regulatory proposals twice a year, and provide copies of the compiled proposals and notices of proposals to the public and advisory committees. Copies are to be available at local Fish and Game offices and on the board's website. This would require printing and mailing of one additional proposal book every year at an estimated cost of \$4.0 for 1,500 books. The board must also issue a call for proposal estimated at \$0.6.

The bill defines a process for generating proposals requested by board members and/or the board, and requires a 65 day public notice period. The fiscal impact to this component is the cost for mailing two public notices annually at approximately \$0.6 each. The board may need to meet telephoncially to address proposals if they cannot be scheduled at a regularly scheduled meeting. The personal services estimate of \$1.9 is the cost of board members' honorarium for holding an additional meeting with an additional \$0.2 for teleconference services.

Possible regulatory change from this bill relate to the removal of duties by the board which will require the repeal of several sections of code. The bill may require technical changes to the board's regulatory process under 5 AAC 96.600. This section guides the Board of Fisheries and may require a bifurcation of the two board's processes.
