FISCAL NOTE ANALYSIS

STATE OF ALASKA
2015 LEGISLATIVE SESSION

BILL NO. SB 53

Analysis

SB 53 was requested by the advanced practice registered nurses (APRN) in Alaska through the APRN Alliance to reduce confusion about titling for consumers and payers. It brings Alaska into alignment with the APRN Consensus Model, a national best practices act.

It is anticipated that the division, Board of Nursing, Board of Professional Counselors, Board of Certified Direct-Entry Midwives, Board of Social Work Examiners, and the Board of Pharmacy would each need to replace outdated terminology that conforms to this statutory change. The division estimates that the cost to each of these licensing programs could be up to \$2.5 per program for attorney review, regulations specialist time, printing, and postage to affected licensees. As required by AS 08.01.065, the cost of promulgating regulations will be recovered through license fee receipts.

If the bill passes the division will require \$15.0 to cover legal costs to amend regulations, printing, and postage.

Professional licensing programs at CBPL are funded by Receipt Supported Services fund source 1156 Rcpt Svcs (DGF). Licensing fees for each program are set per AS 08.01.065 so the revenue collected equals the occupation's regulatory costs.
