What is Title 4? Why is it important?

- Title 4 of the Alaska Statutes regulates alcoholic beverages.
- The Alcoholic Beverage Control Board, staff and law enforcement carry out the laws.

Alaska Alcoholic Beverage Control (ABC) Board

Mission Statement

“The board shall control the manufacture, barter, possession, and sale of alcoholic beverages in the state. The board is vested with the powers, duties and responsibilities necessary for the control of alcoholic beverages...”

AS 04.06.090(a)

So, Why review Title 4?

- Most of Title 4 has not been updated since 1980. The laws are outdated and confusing.
- Many existing laws do not reflect current trends or values.
- A systematic review of Title 4 helps the Board carry out its mission and will benefit communities and businesses.

Goals of Title 4 Review Process

- Promote a fair business climate and protect public health and safety.
 - Create rational regulation for all tiers of the state's alcohol industry.
 - Limit youth access to alcohol, while ensuring youth are not criminalized
 - Promote responsible alcohol use and reduce the harms of overconsumption.

Goals of Title 4 Review Process

- Make Title 4 a clear and consistent legal framework.
 - Increase swiftness, proportionality and consistency of penalties.
 - Increase local law enforcement of Title 4.
 - Increase licensee accountability before the ABC Board for Title 4 violations.

Title 4 Review Process: Committees

Title 4 Review Process

MAY 2012

2016

More than 70 stakeholders and staff spent over 8,000 hours of dedicated time to craft recommendations and develop the current bill.

Title 4 Revisions: Interim Deep-Dive in 2015

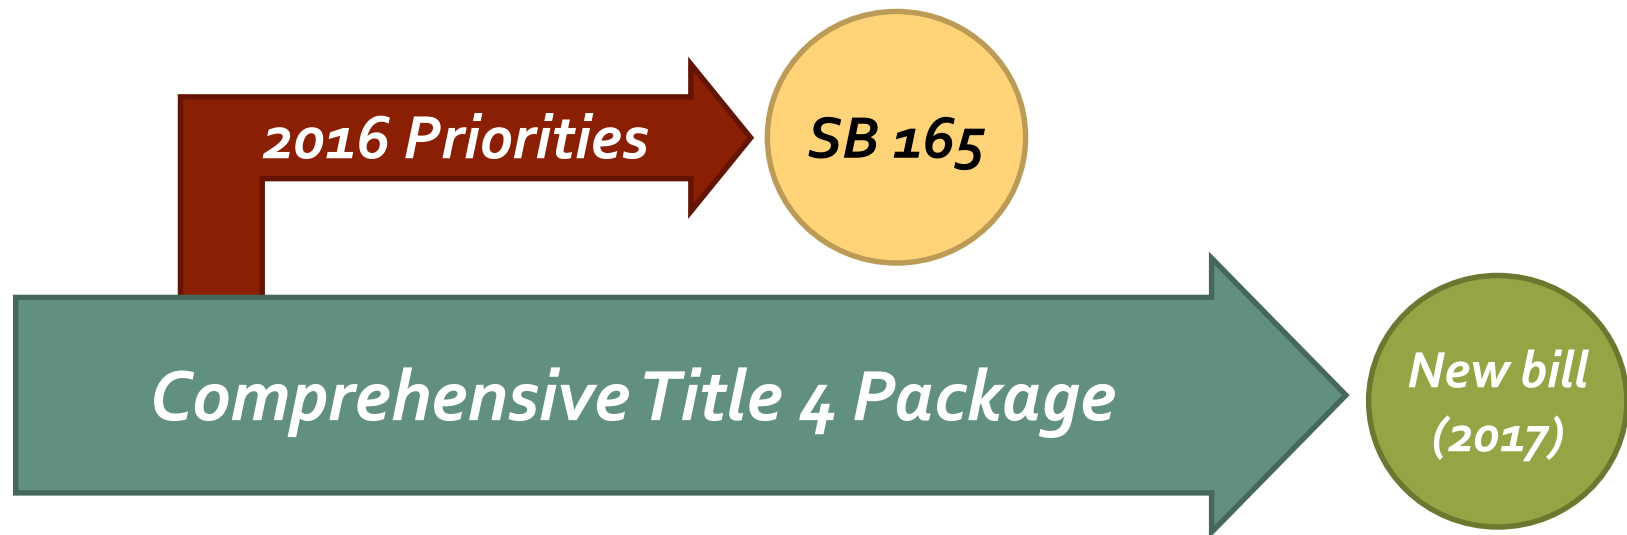

Let's get everyone up to speed on activities over the interim

Title 4 Revisions: Interim Deep-Dive in 2015

- **Spring 2015:** Industry stakeholders volunteered to review the comprehensive bill to ensure it reflected consensus.
- **Summer and Fall 2015:** Alaska CHARR's Government Affairs Committee worked to flag language in the comprehensive bill that may benefit from refinement.
- **December 2015:** The Steering Committee recommended a new, two-track process for Title 4 rewrite, with a streamlined new bill

Title 4 Revisions: 2016 and Beyond

A new, two-track process for Title 4 Revisions:

1. Streamline certain elements of SB99 into a new bill with priority items that can be implemented now
2. Further refinement of the comprehensive package and introduction as a new bill next session

Title 4 Revisions: 2016 and Beyond

Strategic reasons for this midcourse adjustment:

- This session will be very busy with budget issues
- The priorities in this bill could be implemented now and begin to benefit young Alaskans
- Holding the comprehensive package gives additional time for the Steering Committee to:
 - Re-engage with stakeholders and the five subcommittees on many important items
 - Continue to work with private sector business interests to refine bill language

Stakeholder work continues in the following areas:

- Licensing & Permits
- Local Option
- Role of the ABC Board
- Underage Drinking
- Internet Sales

The remaining recommendations produced by these five committees are important subjects, and are still part of the comprehensive package.

SB 99 & HB 185 will be retired. This year's focus is SB 165.

The comprehensive package will benefit from additional work over the 2016 interim.

Title 4 Revisions: SB 165

The new Senate bill focuses on some discrete recommendations that have consensus and can be implemented this year:

1. ABC Board Composition and Qualifications (04.06.020)
2. Minor on Licensed Premises (04.16.049)
3. Minor Consuming Alcohol (MCA) (04.16.050)

Composition of the ABC Board

ABC Board Composition and Qualifications (AS 04.06.020)

- Designate all **5** ABC Board seats to ensure consistent representation
- Current composition: **2** industry, **3** public members (including **1** rural member)
- Proposed composition in SB 165: **2** industry, **1** general public member, **1** public safety, **1** rural public member

Underage Drinking and Access to Alcohol

Reform underage drinking sanctions so that **minors do not become criminals for making one poor decision.**

- Restore the minor consuming alcohol (MCA) offense to a true violation.
- Clarify warning signs' language of the legal consequences of a minor on licensed premises.
- Minors' violations of these two offenses (or equivalent local laws) will never appear on CourtView.

Underage Drinking and Access to Alcohol

- **Minor on Licensed Premises (04.16.049)**
 - Penalty consistent with new MCA penalty
 - Clarify ambiguous language on signage
- **Minor Consuming Alcohol (MCA) (04.16.050)**
 - Reduce the minor consuming alcohol penalty to a true violation; no repeat or habitual MCA
 - Encourage alcohol education or treatment if convicted of Minor on Premises or MCA.

Why reduce penalties for minors?

Prosecutors are dismissing MCA charges; penalties are seen as too high for the offense, or not worth the resources.

Much fewer Minor on Premises cases; 47% were dismissed.
