## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2015 LEGISLATIVE SESSION

BILL NO. HB 123

### Analysis

This bill would create a Marijuana Control Board housed within the Alcoholic Beverage Control Board agency. The board would be appointed by the Governor and would have the authority to regulate marijuana cultivation, transportation, production, and sale.

Section 3 of the bill provides that the board shall hear appeals from actions of its director and actions of officers and employees charged with enforcing AS 17.38 and the board's regulations. Although the bill is not specific in this regard, the Office of Administrative Hearings (OAH) is informed that the intent is that OAH would conduct these hearings, as it does for many other regulatory boards including the Alcoholic Beverage Control Board.

OAH estimates that the cost of conducting these hearings would be approximately equivalent to the present cost of conducting the hearings relating to alcoholic beverage licenses as directed in AS 44.64.030(a)(1). In FY 16, that cost has been \$5.0 per quarter.

OAH is presently operating at or beyond capacity. The additional hearing load of this work alone would not support the creation of a new full-time administrative law judge position. In the absence of a new PCN, OAH will instead contract out hearing responsibilities to contractors as appropriate.
