To whom it may concern,

Harris Aircraft Services, Inc. is a commuter Air Operator operating daily passenger and charter service to communities throughout Southeast Alaska.

We support HB 167 and respectfully request the House Transportation Committee approve this measure and forward to the full Legislature for adoption. HB 167 updates the existing state statutes to present day industry standards and provides a practical solution for air carriers while protecting passenger safety and security.

Thank you,

A handwritten signature in black ink, appearing to read "RS Harris".

RS Harris, President
