RE: House Bill 178

Dear Representative Thompson:

The Alaska State Medical Association (ASMA) represents physicians statewide and is primarily concerned with the health of all Alaskans.

As the Legislature debates Medicaid reform and expansion measures this Session we would like to make you aware of our current policy position on access to healthcare in Alaska. ASMA strongly supports access to healthcare for all Alaskans, and in that context supports robust and sustainable payment mechanisms for the Alaska healthcare industry. ASMA supports expansion of coverage of the approximately 30,000 currently uninsured Alaskans.

Improved access to healthcare in Alaska and improving the efficiency and effectiveness of Alaska's current Medicaid health care service system are important to improving the health outcomes of Alaskans.

Please let us know if there is anything we can do to further support passage of this legislation.

Sincerely,

Michael Haugen
Executive Director: The Alaska State Medical Association
