Dear Alaska Legislators:

My name is Brad Elfers and I own Alaska Fly Fishing Goods, which is a full service fly fishing equipment shop and internet retailer, based in Juneau since 1998. I'm writing to express my support for Board of Fisheries nominee, Robert Ruffner.

As a sport angler and someone who's livelihood depends on sport fishing, I believe Robert will do an excellent job of representing my interests on the Board of Fisheries, however just as importantly, I believe Robert will be a strong advocate for the long-term health of fish and their habitat.

I urge you to confirm Mr. Ruffner and give him the opportunity to put his experience and expertise to work on the Board of Fisheries.

Thank you,

Brad Elfers
