Subject: Understand Education Cuts?
Date: Saturday, April 25, 2015 11:00:53 AM

The budget crisis is severe?

Hmmmm. . . Don't we pay Alaskans to live here in the form of a PFD?
No taxes other than real estate taxes? What's that about a Constitutional Reserve
for dire situations? Not that severe, then?

So our kids lose out and big oil wins . . . once again . . .

How severe is this crisis again?

Ingrid Lindberg, Parent and Teacher
