

Department of Military and Veterans Affairs

FY2018 Division Overview

Homeland Security & Emergency Management
Local Emergency Planning Committee

Mike O'Hare
Director, Homeland Security & Emergency Management

The Alaska Disaster Act

AS 26.23, Article 1

AS 26.23.020 The governor and disaster emergencies

Provides:

- The governor is responsible for meeting the dangers presented by disasters
- The governor shall declare a disaster if one has occurred or is imminent
- The governor is commander in chief of forces available for emergency duty, can delegate/assign command
- May expend up to \$1 million without legislative approval

In Addition, the Governor May:

- Suspend the provisions of any regulatory statute
- Use all available resources of State and each political subdivision of the State
- Transfer personnel or alter the functions of State agencies
- Commandeer or use any private property
- Direct and compel relocation
- Prescribe routes, modes of transportation and destinations in connection with relocation
- Control ingress and egress of a disaster area
- Suspend or limit sale and dispensing of alcohol, explosives or combustibles
- Provide for use of temporary housing
- Allocate/redistribute food, water, fuel, clothing, medicine, and supplies
- Use funds from the oil and hazardous substance release fund

Division of Homeland Security & Emergency Management

Mission: Foster a prepared, resilient State capable of keeping Alaskans safe and secure in the face of all hazards

- 62 full time budgeted positions
- \$9,498.3 total budget request
 - \$2,460.7 UGF
 - \$4,057.8 Federal
 - \$2,979.8 Other

Division of Homeland Security & Emergency Management

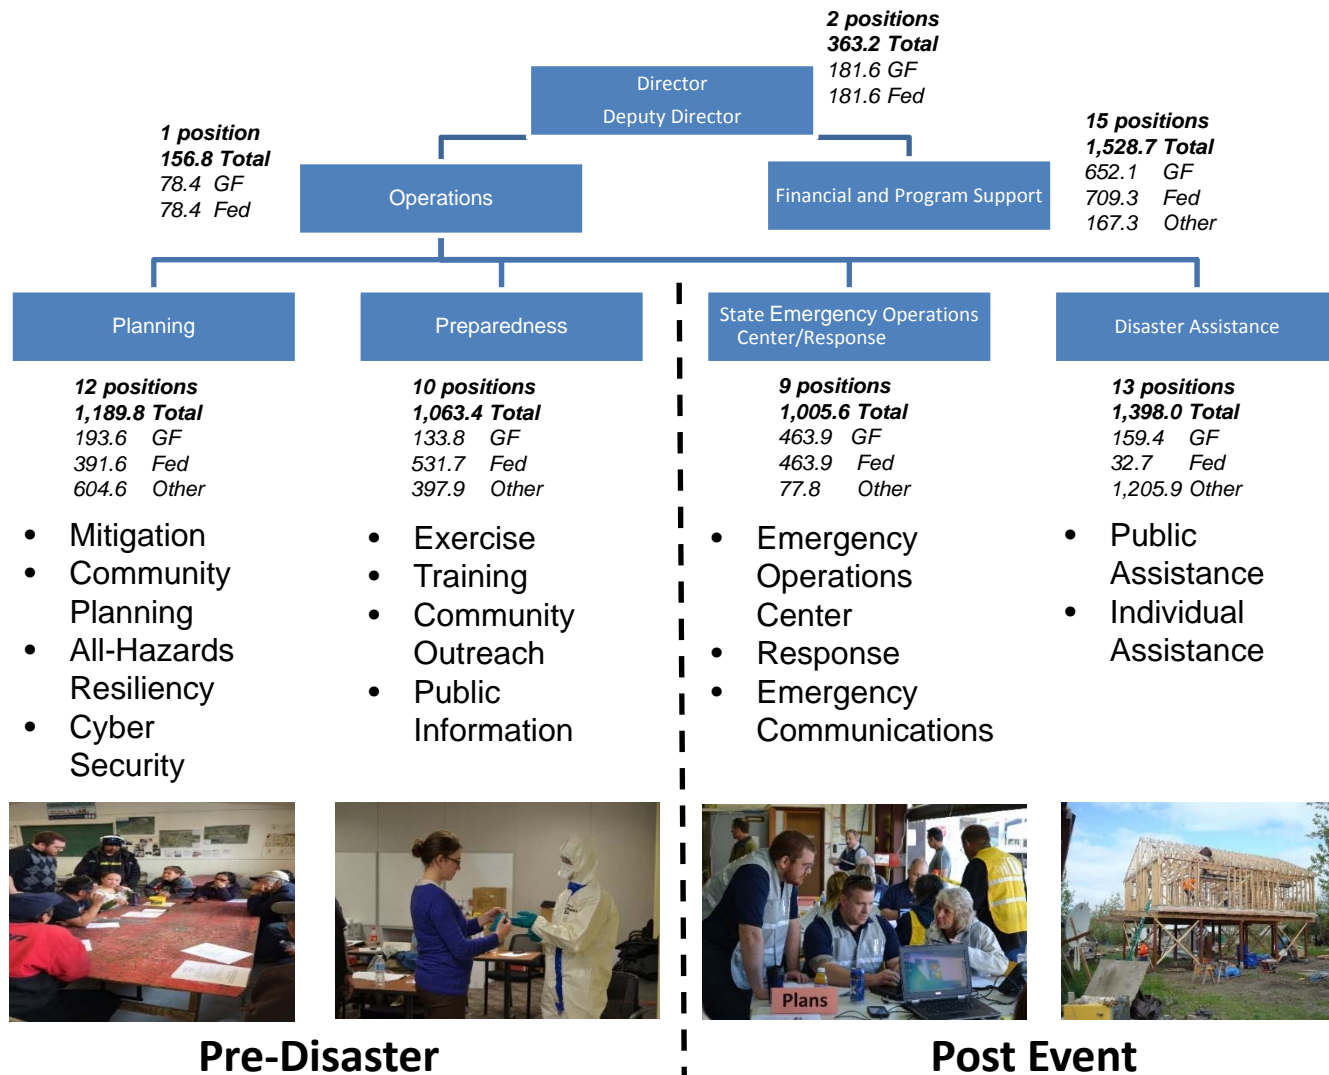

Strategic Direction: Work internally as an integrated team and externally as a leader. Direct the development, implementation, and improvement of emergency management plans, programs, policies and collaboration efforts in order to systematically enhance the resilience of every Alaskan community.

- Tailor our approach to meet communities' needs and leverage the strengths of our many partners
- Focus on extending our services to support communities statewide
- Build long-term relationships with both our partners and our customers

Division of Homeland Security & Emergency Management

Division Disaster Response

State Emergency Operations Center

Riverwatch on Kuskokwim

2015 Sitka Mudslide Disaster

Planning Focus

- State Emergency Operation Plan (EOP) development
- Large community EOP support
- Small community emergency response plan support
- Continuity of operations plan
- Catastrophic disaster plan
- Long-Term recovery plan
- Mitigation plans: State and local
- Alaska assessment: Capability gaps
- Statewide Resilience Workshops

Preparedness Focus

- Emergency management training: State/local events
- Local exercises: Test local EOP
- Annual statewide preparedness conference
- Statewide regional workshops
- Public emergency management information: Coordination before, during and after disasters
- Public outreach campaigns: Alert/warning, family preparedness, and recovery
 - Great Alaska Shakeout
 - Earthquake Simulator

Disaster Recovery Focus

Recovery Programs (using state and federal funds)

- Emergency protective measures
- Public assistance: Infrastructure damages
 - Federal Funding 75%
 - State Funding 25%
- Individual Family Grant: Personal and real property damages, temporary housing

Mitigation Programs (using state and federal funds)

- Disaster mitigation grants: Post disaster projects improve resiliency, funding cap set by disaster
- Pre-disaster mitigation grants: National competitive grants for resiliency

Innovative Partnerships

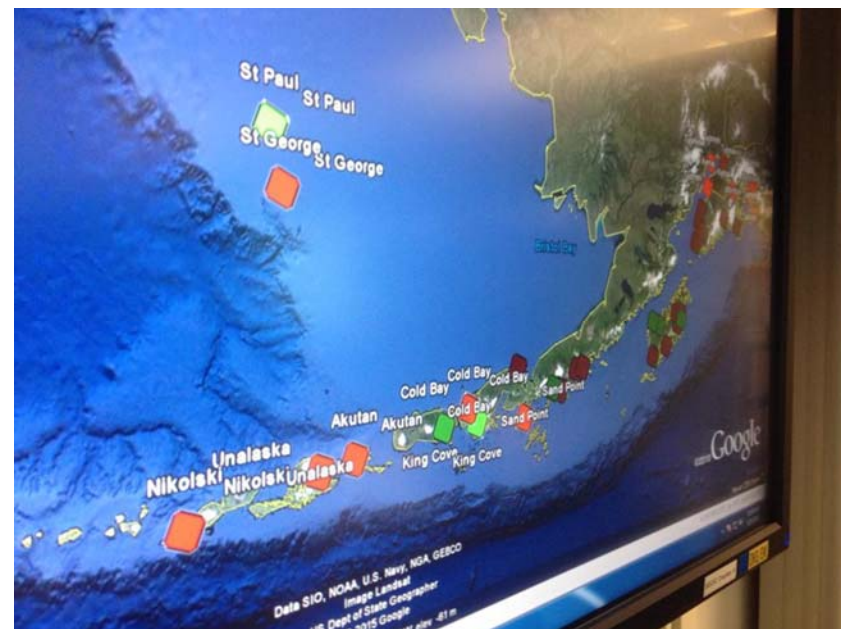

- Communities/Boroughs
- Local Emergency Planning Committees
- Native Corporations
- Business/Industry
- Utility Companies
- Alaska National Guard
- Other AK State Agencies
- Federal Emergency Management Agency
- American Red Cross
- Volunteer Organizations
- Department of Defense
- Office of the U.S. Attorney
- Department of the Interior
- U.S. Coast Guard
- Department of Homeland Security
- Federal Bureau of Investigation
- Environmental Protection Agency
- Emergency Management Assistance Compact (Nationwide)
- Pacific Northwest Emergency Management Arrangement (Alaska, Washington, Oregon, Idaho, British Columbia, Yukon Territories)

Innovative State Emergency Management

- Disaster Relief Fund program/process
- Statewide community preparedness: Grants, technical support, gap analysis
- Resiliency and innovative mitigation: Relocations/elevations, partnerships
- State capital investment in catastrophic plans: Generators/water purifiers/food
- Interagency planning and response to disasters

Homeland Security & Emergency Management FY2018 Budget
