Language

It is the intent of the legislature that the Alaska Industrial Development and Export Authority provide to the House Finance Committee, the Senate Finance Committee and the Legislative Finance Division by September 30, 2017 a report regarding the proposed Ambler Mining District Industrial Access project. The legislature intends that AIDEA's report include: A firm estimate of the cost of planning, engineering, permitting and construction of the road and bridges; a firm estimate of road and bridge maintenance costs for the first five years of operation; and a list of all confirmed mining partners and their Ambler Mining District measured and proven reserves as reported to the Securities and Exchange Commission.
