

2017 SESSION OPERATING BUDGET AMENDMENT PROPOSAL

OFFERED IN: The House Finance Fish and Game Subcommittee

TO: HB 57 / HB 59

OFFERED BY: Rep. Eastman

DEPARTMENT: Fish and Game
APPROPRIATION: Statewide Support Services
ALLOCATION: State Subsistence Research

ADD: \$50.0
Fund Source: 1024 subfund

POSITIONS: No new positions

EXPLANATION: Utilize \$50.0 of Fish & Game Fund subaccount monies for subsistence household surveys in non-subsistence areas. The Division of Commercial Fisheries manages for subsistence. The Division of Subsistence Research establishes the Amount Necessary for Subsistence (ANS) as required by AS16.05.094. This information – the ANS – is utilized by the Division of Commercial Fisheries in managing for subsistence uses, and by the Board of Fisheries in allocating fisheries resources.
